

Ako využívať kódy akcie?

Vaša lokalita vwr na nakupovanie online
Prejdite na stránku www.vwr.com

1 Prihlásenie

The screenshot shows the VWR website interface. At the top, the VWR logo is on the left, and navigation links 'Log In', 'Not registered? Register', a shopping cart icon with '0', and 'My Account' are on the right. Below this is a search bar with the placeholder 'Search by keyword, supplier, or part number'. The main content area features a large banner with a person wearing safety glasses and a face mask. On the left side of the banner, there is a text box that reads: 'A new look and a renewed commitment. VWR is your convenient channel to purchase what you need from Avantor®. Learn more about our renewed commitment.' On the right side of the banner, there is a 'Log In' section with fields for 'E-mail address' and 'Password', a 'Remember me on this device' checkbox, and a 'Forgot your password?' link. Below the 'Log In' section is a 'Not registered?' section with a 'Register' button. The 'Register' button is highlighted with a red border.

Home > Pipettes > Pasteur/Transfer Pipettes > Transfer pipettes, Standard Line

Transfer pipettes, Standard Line

Supplier: [VWR Collection](#)

★★★★★ Avg. Ratings: 5.0 (1 Review)

LDPE, disposable. These unbreakable 'all in one' pipettes eliminate the potential hazard of broken glass and exposure to infectious materials.

- Will not shatter or break
- Non toxic and inert to biological fluids and most acids
- Can be sealed, refrigerated and gas sterilised
- No bulb to insert or remove
- Uniform drop size

The low affinity surface reduces the loss of cells and valuable proteins due to binding. They work well whenever there is a need for quick, safe transfer of fluids.
